CYBER SECURITY

📍 Banaskantha, Gujarat   ✉ ajaypalsinh4172@gmail.com   📞 +91 9016291053   in www.linkedin.com/in/ajeypalsinh-jadeja

PROFILE INFO

A graduate in Information Technology & Cyber Security, currently pursuing a Master's degree in the same field. With 2 months of internship experience as a Network Administrator, I have gained hands-on skills in network security, system administration, and troubleshooting. Proficient in using security tools and understanding network infrastructures. Eager to apply my academic knowledge and practical experience to a challenging cyber security role. Actively seeking opportunities to contribute to securing digital environments and enhancing organizational security.
